8,7 MW Wartsila Dual Fuel Engines (6 units new), 50 Hz for sale:

Technical Details:

Manufacturer:	Wartsila 2012 W20V34DF
Year of manufacturer:	2012
Power:	8,7 MW each (6 units available)
Fuel:	Natural Gas and Light Oil
Frequency:	50 Hz
Voltage:	11 KV
Running Hours:	Zero, never used

Heat rate and electrical efficiency at generator terminals, including engine driven pumps, ISO 3046 conditions and gas LHV >28 MJ/Nm³. Tolerance 5%. Power factor 0,8. Gas Methane Number > 80. Nm³ defined at NTP (273.15 K and 101.3 kPa).

Product catalogue:

Power, electrical	kW	8,730
Heat rate	kJ/kWh	8031 (8130)#
Electrical efficiency	%	44.8 (44.3)#
Length	mm	12,890
Width	mm	3,300
Height	mm	4,400
Weight	tons	130

Price: 2,95 Mio USD/each -subject to prior sale-

Delivery: Immediately

In case you have any questions, please don't hesitate to contact our office.

Mit freundlichen Grüßen / Best Regards
